

MAINTENANCE SAVINGS PLAN

AIR CONDITIONING ONLY

IMPORTANCE OF MAINTENANCE

Just like a car requires maintenance to keep it up and running, so does your HVAC system. Regular maintenance is essential to keep your air conditioner running smooth & efficiently. It also helps extend the life of your equipment & can even catch potential problems before they become expensive headaches.

HOW IT WORKS?

Our **A/C Maintenance Savings Plan** is yearly and contains 1 standard A/C tune up & cleaning. (in the spring) Customers who join our Maintenance Plan enjoy all the great benefits listed below as well as save money! You will also receive a text or email reminder when it's time to schedule your next tune up. We'll make keeping track of your system's maintenance easy to ensure your system is running at its best!

MAINTENANCE PLAN BENEFITS:

- **10% DISCOUNT ON SERVICE, PARTS & REPAIRS**
- **FREE SERVICE CALL**
- **NO OVERTIME**
- **PRIOTIY SCHEDULING**
- **EXTENDED EQUIPMENT LIFE**
- **IMPROVED EQUIPMENT SAFETY**
- **IMPROVED EFFICIENCY**
- **LOWER UTILITY BILLS**
- **INFLATION PROTECTION**
- **PLAN ALWAYS TRANSFERABLE**

Good until exp. date. Does not apply if refusal to do recommended repairs results in an emergency call.
