

MAINTENANCE SAVINGS PLAN

DUCTLESS MINI SPLIT

IMPORTANCE OF MAINTENANCE

Just like a car requires maintenance to keep it up and running, so does your HVAC system. Regular maintenance is essential to keep your ductless system running smooth & efficiently. It also helps extend the life of your equipment & can even catch potential problems before they become expensive headaches.

HOW IT WORKS?

Our **Ductless Maintenance Savings Plan** is yearly and contains 1 standard ductless tune up & cleaning. Customers who join our Maintenance Plan enjoy all the great benefits listed below as well as save money! You will also receive a text or email reminder when it's time to schedule your next tune up. We'll make keeping track of your system's maintenance easy to ensure your system is running at its best!

MAINTENANCE PLAN BENEFITS:

- **10% DISCOUNT ON SERVICE, PARTS & REPAIRS**
- **FREE SERVICE CALL**
- **EXTENDED EQUIPMENT LIFE**
- **IMPROVED EQUIPMENT SAFETY**
- **IMPROVED EFFICIENCY**
- **LOWER UTILITY BILLS**
- **NO OVERTIME**
- **INFLATION PROTECTION**
- **PRIOTIY SCHEDULING**
- **PLAN ALWAYS TRANSFERABLE**

Good until exp. date. Does not apply if refusal to do recommended repairs results in an emergency call.
